SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 256 of this title; title 10 section 2324.

**§ 607. Agency boards of contracts appeals**

**(a) Establishment; consultation; Tennessee Val-  
ley Authority**

(1) Except as provided in paragraph (2) an agency board of contract appeals may be established within an executive agency when the agency head, after consultation with the Administrator, determines from a workload study that the volume of contract claims justifies the establishment of a full-time agency board of at least three members who shall have no other inconsistent duties. Workload studies will be updated at least once every three years and submitted to the Administrator.

(2) The Board of Directors of the Tennessee Valley Authority may establish a board of contract appeals for the Authority of an indeterminate number of members.

**(b) Appointment of members; chairman; com-  
pensation**

(1) Except as provided in paragraph (2), the members of agency boards shall be selected and appointed to serve in the same manner as administrative law judges appointed pursuant to section 3105 of title 5, with an additional requirement that such members shall have had not fewer than five years' experience in public contract law. Full-time members of agency

boards serving as such on the effective date of this chapter shall be considered qualified. The chairman and vice chairman of each board shall be designated by the agency head from members so appointed. Compensation for the chairman, the vice chairman, and all other members of an agency board shall be determined under section 5372a of title 5.

(2) The Board of Directors of the Tennessee Valley Authority shall establish criteria for the appointment of members to its agency board of contract appeals established in subsection (a)(2) of this section, and shall designate a chairman of such board. The chairman and all other members of such board shall receive compensation, at the daily equivalent of the rates determined under section 5372a of title 5, for each day they are engaged in the actual performance of their duties as members of the board.

**(c) Appeals; inter-agency arrangements**

If the volume of contract claims is not sufficient to justify an agency board under subsection (a) of this section or if he otherwise considers it appropriate, any agency head shall arrange for appeals from decisions by contracting officers of his agency to be decided by a board of contract appeals of another executive agency. In the event an agency head is unable to make such an arrangement with another agency, he shall submit the case to the Administrator for placement with an agency board. The provisions of this subsection shall not apply to the Tennessee Valley Authority.

**(d) Jurisdiction**

Each agency board shall have jurisdiction to decide any appeal from a decision of a contracting officer (1) relative to a contract made by its agency, and (2) relative to a contract made by any other agency when such agency or the Administrator has designated the agency board to decide the appeal. In exercising this jurisdiction, the agency board is authorized to grant any relief that would be available to a litigant asserting a contract claim in the United States Court of Federal Claims.

**(e) Decisions**

An agency board shall provide to the fullest extent practicable, informal, expeditious, and inexpensive resolution of disputes, and shall issue a decision in writing or take other appropriate action on each appeal submitted, and shall mail or otherwise furnish a copy of the decision to the contractor and the contracting officer.

**(f) Accelerated appeal disposition**

The rules of each agency board shall include a procedure for the accelerated disposition of any appeal from a decision of a contracting officer where the amount in dispute is \$100,000 or less. The accelerated procedure shall be applicable at the sole election of only the contractor. Appeals under the accelerated procedure shall be resolved, whenever possible, within one hundred and eighty days from the date the contractor elects to utilize such procedure.
